The Sumter County Museum

Junior Cotillion Program Class of 2018

The program is based on the curriculum of Teresa Kathryn Grisinger Reilly, noted author of two volumes of her comprehensive children's etiquette books *Girls and Boys at the Table* and *Teens at the Table*. Reilly stresses a practical and natural approach to etiquette training. The program is designed to reinforce good manners taught at home as well as teach nuances of fine dining and specific social situations. In addition to table manners and ballroom basics, the teens will learn tips on grooming, how to eat different foods, make introductions, write social correspondence, the art of conversation and the tricky tactics of gracefully managing cell phones and email.

Classroom instruction will be under the guidance of Dotty Kolb and Susan W. Osteen. Chip Bracalente of C. Anthony's Clothiers will host a special class for the boys. Boys will learn lessons on how to be a gentleman as well as the art of proper dressing for all occasions including how to knot their tie and bowtie. We are looking for volunteers to help prepare and serve the food for etiquette classes. Please see volunteer sheet in packet for more information.

Dance will include basic ballroom and shag. Classes will be taught by Seth and Jennifer Reimer along with Betty Kennedy Kane. Seth is co-owner and general manager of Miss Libby's School of Dance and Jennifer is the artistic director for the Rising Stars, Miss Libby's competitive dance team. Betty has been inducted in to the South Carolina Shag Dance Hall of Fame. We also want to thank Dibble Parker for serving as our Presentation Dinner and Dance assistant.
